

The Last Lecture: Writing Response Assignment

Overview: You have read, watched, and discussed the introduction to Randy's last lecture. Now, take some time and reflect on what he said - and how it can resonate in your own life. Each week, you will be asked to write a response to something he wrote/said. As always, the responses are to be typed, double spaced, 12 point font, and submitted to turnitin.com. Please, also, make sure that the responses are a **MINIMUM** of one full page and demonstrate real reflection and deep thought.

Because these are all personal reflections, you should write in first person.

Prompt 1: What makes you unique?
